ABOUT ME

My name is Bui Minh Tu. I was born in Thai Binh province on November 29. Many friends said that I am a humorous person although sometimes I tend to be quite. This portfolio is a collection of products that I have created from my own experiences. In addition, technology is my biggest favourite sector which I would like to keep learning and applying to my work. One of my purposes is designing and coding useful softwares.

EDUCATION

2006 - 2009: Nguyen Duc Canh High School

2013 - 2014: Design + Code

- Join a design course for marketer at RIO and graduated with excellent certificate.

- Join two courses of zonotek about design web and coding php & mysql. I graduated with good certificate.

2009 - 2013: Foreign Trade University
Economics and International Business Major

Study:

- The status of import payments operation by Letter of credit in Vietnam Priority Bank (VPBank).

- The import and export activities of Thailand.

Achievement:

- Certificate of Vietnam E-commerce Association for E-commerce technology website.

- Certificate of The Assistance Center for Small and Medium-sized Enterprises.

WORK EXPERIENCE

4/2015 - Present: Graphic designer, UI/UX at Atomi Systems

10/2013 - 12/2014: Leader team at Moc

Moc was a start-up with hope about bringing minimalist furniture to every family. I'm responsible as was a marketer, designer and website administrator.
