ABOUT ME

I am a quiet person, introverted, very quiet. I love art, nature, and peace. I live with responsibility, honesty, and gentle with everyone. I always want to become a useful person, can help my family, friends, and society. I always follow the example of President Ho Chi Minh, the great leader of the Vietnamese nation. Finally, I think that I am a man of talent, but need to have the environment to help me develop my talent, if not, I'm just a normal person only.

Advantage: creative, tends of art, capable of thinking and working independently.
