INTRODUCE

Hello, my name is Vũ Văn Hùng

I'm seeking position of an Android Developer where I would be able to put to use the knowledge gained in the software development cycle and technical aptitude. I can work on more than one project at once and I can deal with the most important project first and work the rest in later to make sure all deadlines are met. I have a Bachelor's degree in Computer Science and I have a very creative mind that allows me solve technical problems. I would love to be the newest member of your team and I hope that you will give me a chance to prove I have what it takes to become an Android Developer for your company. Please feel free to call me if you have any question.
